please carry your membership ID

Note: Online AGM (Virtual meeting) needs a highly regulated authentication system to secure against unauthorized participation and the danger thereof. Online AGM could not be conducted because CSI does not have any such security audited VC platform of its own and neither any official mail id for its members which can ensure full-proof IT security measures to ensure that only CSI members can participate in the AGM Virtually. Also, there is no such provision in the existing CSI constitution and by-laws for Online AGM.

On this happy occasion of Republic Day of our Great Nation my best wishes to you and your family. Let us give our best to bring back our professional society to its glory.

Looking forward to meeting you at AGM

Thanking you.

Gautam Mahapatra
President, CSI (2018-19)
